HI William DATE 12 Sept

Thank you for your renewal in China Post #1. Attached is your 1999 membership card.

1999 will be a very special year for China Post which will be in the process of building a Post Home in the Houston, Texas area. This has been a dream of long-standing and it is about to become a reality. The property has been purchased and actual building will hopefully be underway sometime in late 1998. At last all our loyal members who have honored the Post and its traditions will have a place to call home--a place for our memorabilia and a place to pay homage to those who have gone before.

To commemorate the establishment of a Post Home, we are enclosing our new CP#1 lapel-type pin for your use in identifying yourself as a part of this unique organization. The pin has our Standup Dragon Logo on it. It also depicts Shanghai, China where it all began--- We were formed in Shanghai in 1919 and chartered by the American Legion there in 1920. We hope you will wear this pin with pride and remember those both past and present, who have-- through their membership, loyalty and dedication--kept the Post going all these years and made our Post Home possible. (Extra pins will be available through our Emblem Sales.)

Our 1999 membership year is also a transition period as the Post's day-to-day operation has been moved to Houston, and Post Adjutant duties will be handled by ALFRED "FRED" PLATT. Once the Post Home is completed, the office function will be moved into it; however, until then we will be operating out of a temporary office. Please note our new address (a box number) and phone number shown above. Please send all correspondence and direct all phone calls to that location and number on anything pertaining to membership, Poop Sheet, Emblem Sales, address changes, etc. **The Slidell Office closed effective 1 July 1998.**

Any transitional period can be difficult at times, so I ask all members for their cooperation and patience in making this move as smooth as possible. It will be worth it! Again, we thank you for your renewal and look forward to the day you can personally visit us at our Post Home/Museum.

Thank You

J.C. Bond

J.C. "007" BOND, COMMANDER,
CHINA POST #1 - WORLDWIDE

ADDRESS ALL COMMUNICATIONS TO
THE COMMANDER UNLESS SO NOTED.
